## Cover Silicone Shell iPhone 6+/6s+

**Ref.** : COVWCSSHIP6P **EAN** : 3701090603986 **PVMC** : 14,90 €

## Details

Designed in translucent TPU, the Silicone Shell Wave Concept case for iPhone 6+/6S+ provides effective protection for your mobile against shocks and scratches on a daily basis, thanks to its effective reinforcements at the four corners of your phone. In addition to bringing this elegant style, the case provides a better grip when handling your mobile and allows free access to the various functions.
