

## 6D tempered glass film for iPhone 6/6S

Ref. : FVTWC6DIP6

EAN : 3701090625872

PVMC : 19,90 €

### Details

---

The 6D Tempered Glass is ultra resistant, it covers the entire surface of your screen unlike other protective films. Thanks to its 6D Technology, this tempered glass ensures optimal protection for your iPhone 6/6S. With its total transparency, the touch functions of your iPhone are 100% preserved.

Anti-trace oleophobic coating, simple installation without bubbles and easy maintenance.

Package Contents:

- Tempered Glass
- Wipe Kit
